Golden Class Create Dinosaurs

Y1 had attended a workshop at the Natural History Museum today. They had a lovely time, literally 'piecing together' elements of pre-history. They even built a dinosaur from scratch ... *honest!*

Parents and Carers

Some of our children suffer severe allergic reactions when they are brought into contact with certain foods. For their safety and for other health reasons, we would like to gently remind parents and carers of the following:

Sweets, snacks and flavoured drinks are not to be given to your child for lunch or for educational visits.

Only children who normally bring a packed lunch to school are permitted to take them on school trips.

Your child will receive a hot lunch before leaving school where possible. Alternatively, a healthy, balanced packed lunch will be provided if they are out all day. It is unnecessary for parents to provide extra food.

'Keep Our Seas, Plastic Free!'

Reception Class March in Protest

Lovely Reception Class, made their voices heard at a protest march that they held in assembly today.

The children were protesting about the level of plastic waste in our seas.

They made fantastic posters to show how strongly they felt on the subject.

Who said politics was dead?
