# Black History Month

All classes learnt about Benjamin Zephaniah and his contributions to our society. Looking at his poems and stories and the meaning behind them. The children then had a chance to write their own poetry and use their interpretations to perform some of Zephaniah's work.

Year 4 had the room in laughter learning about Sir Lenny Henry and even shared some funny jokes with us!

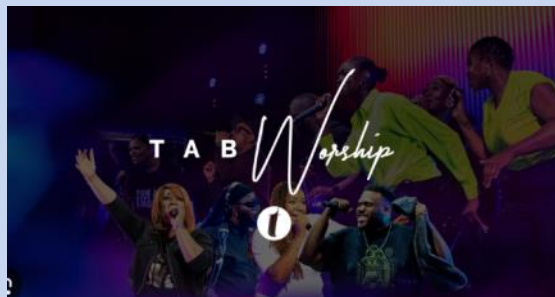

Kenyan engineer Nzambi Matee inspired Year 6 to learn about the invention of recycled plastic bricks.

Reception learnt about Lewis Hamilton and made race cars.

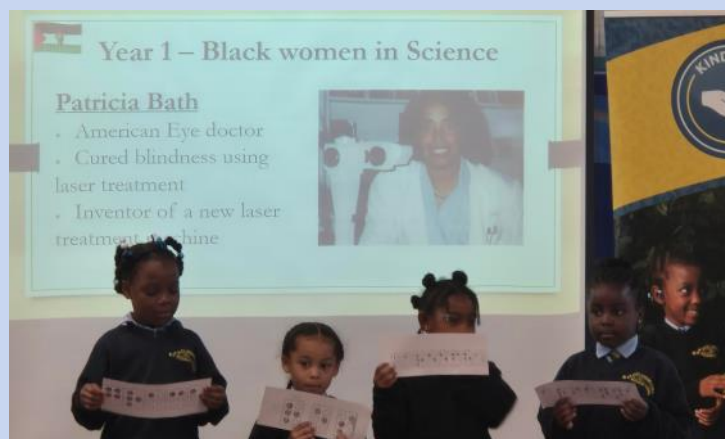

Year 2 were creative and learnt about Frank Morrison. Celebrating him for his creative contributions as a children's illustrator.

TAB Worship from Tab Church London were the focus for Year 5. They listened to some of their music including their new song 'Everything up' and thought about the meaning of the lyrics and how they can also go up in everything they do.

Year 3 were learning about Mae. C Jemison and her achievements as a black woman working in science.

In Year 1 they learnt about Patricia Bath and her amazing contributions in science. They wrote their names in braille.

Year 5 wrote poetry inspired by Benjamin Zephaniah.

We would like to send a huge thank you to our PTA for all of their hard work and dedication over the last few years. We have had some spectacular events; the children, teachers and parents have had fun and you've raised money for playground equipment and games for the classrooms to name some. Tammy will be stepping down as chair so a huge thank you to her. The children have benefited from your input and commitment; we appreciate every member.

Next half term, we will be voting for a new PTA so look out for the information.

## PACKED LUNCHES

A reminder that we are a nut free school. We have children and staff who have nut allergies. No nut in packed lunches, this includes Nutella.

'Dear Friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God whoever does not love does not know God because God is love'.

Details will be announced next half term.
